ABOUT US

TAKYON NETWORKS

Takyon Networks embarked on its journey in 2009 with the vision of providing turnkey solutions in voice and data systems catering to the IT infrastructure needs of government and corporate clients. Gradually, we expanded into IT Infrastructure, System Integration, Video Conferencing, Surveillance & Security, Network Security, Data Centre, and Customized Software Solutions.

Headquartered in Lucknow, Uttar Pradesh, we have secured a position among top IT companies delivering high-standard end-to-end solutions driven by stringent ethical standards and a dedicated team of professionals.

OUR MISSION

To collaborate with esteemed organizations in their digital transformation journey that will create noticeable, long-term, and significant improvements in their operations.

OUR VISION

To be recognized across the globe as the specialist in our sector of expertise by offering unmatched quality of our products and services.

CORE VALUES

CLIENTS FIRST: Customer-centric products & services as per client needs.

QUALITY: Providing quality is our foremost priority.

ACCOUNTABILITY: We deliver what we commit.

INTEGRITY: We deliver more than we promise instead of promising more.

ASSOCIATION: We deliver with the view of long-term relationships.

150+ PROFESSIONALS

400+ CLIENTS

1000+ PROJECTS DELIVERED
