TAKYON STANDS FOR

T

TRANSFORMING
YOUR WORKPLACE

Enabling connected, productive workplaces through practical IT solutions.

A

ADDING
COMPETITIVE-EDGE TO YOUR BUSINESS

Technology choices that help teams work smarter and respond faster.

K

KEY SOLUTIONS
FOR NETWORK & INTEGRATION

Connecting infrastructure, devices and systems into a coordinated environment.

Y

YOUR
DIGITAL TRANSFORMATION PARTNER

Helping organizations modernize processes and make better use of technology.

O

ONE STOP SOLUTION
FOR ALL YOUR IT INFRASTRUCTURE NEEDS

One coordinated team across planning, deployment and support.

N

NURTURING
YOUR BUSINESS WITH OUR BEST SERVICES

Responsive support and lifecycle care as your requirements evolve.

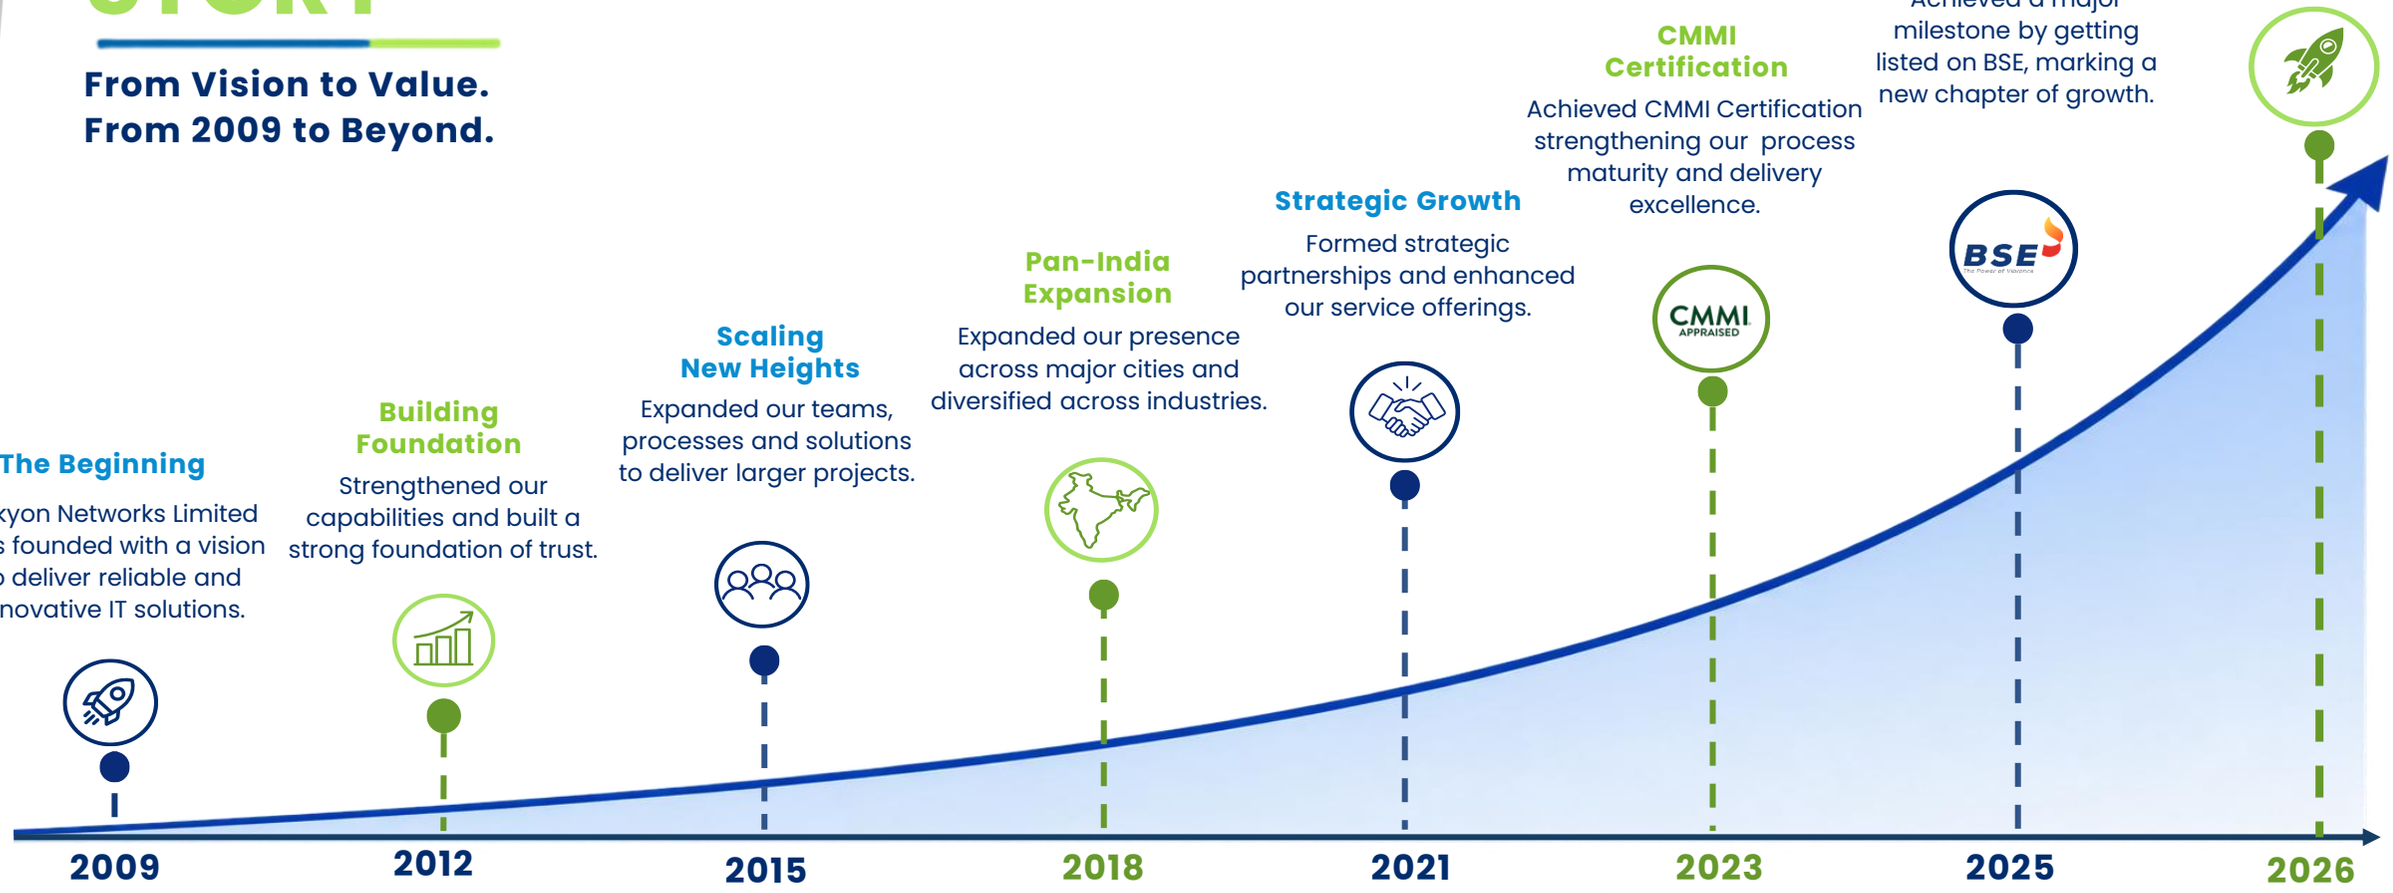

WITH OUR TAGLINE

PASSION **FOR** INTEGRATION

© 2026 Takyon Networks Limited.

THE TAKYON STORY

From Vision to Value.
From 2009 to Beyond.

© 2026 Takyon Networks Limited.

WHY TAKYON?

More than technology. A commitment to your success.

We help organizations simplify IT decisions and implement infrastructure that supports daily operations and long-term goals.

THE TAKYON ADVANTAGE

01 PROVEN EXPERTISE

15+ years of experience delivering IT infrastructure and security projects.

02 CUSTOMER CENTRIC

We translate operational priorities into solutions designed for your teams.

03 END-TO-END CAPABILITIES

From solution design and deployment to maintenance and lifecycle upgrades.

04 STRONG PARTNERSHIPS

Working with 40+ technology OEMs to match solutions to project requirements.

05 INNOVATION DRIVEN

We test new technologies for real gains in performance, security, and manageability.

06 RELIABLE SUPPORT ALWAYS

Our support team ensures smooth operations with fast, ongoing assistance.

© 2026 Takyon Networks Limited.

OUR VALUES

The principles that guide everything we do.

Our values define who we are, how we work, and the impact we create for our clients, partners and communities.

01

INTEGRITY

We believe in honesty, transparency and ethical practices in every action.

02

CUSTOMER FOCUS

Our customers are at the heart of everything we do. Their success is our success.

03

INNOVATION

We embrace change and leverage technology to deliver smarter, future-ready solutions.

04

EXCELLENCE

We are committed to delivering the highest quality in our solutions, services and support.

05

COLLABORATION

We work together as one team with our clients, partners and stakeholders to create greater impact.

06

RESPONSIBILITY

We are responsible towards our clients, our people, our environment and the communities we serve.

07

GROWTH

We continuously learn, improve and evolve to drive sustainable growth for all.

08

ADAPTABILITY

We stay agile and responsive to changing technologies, business needs and market demands.

© 2026 Takyon Networks Limited.

OUR TEAM

The People Behind Our Progress

A passionate team of leaders driving innovation, delivering excellence and building lasting relationships with our clients and partners.

Our Leadership Team

Manish Sharma

Managing Director

Visionary leader with a passion for technology and innovation. He drives the company's strategy and growth.

Neeraj Kumar

Chief Executive Officer (CEO)

Operations and delivery expert focused on building high-performance teams and delivering value at scale.

Nikhil Buran

Director of Sales

Sales leader with proven expertise in solution selling and account management driving business growth.

Paresh Goyal

Executive Director

Technology strategist with deep industry experience. He leads innovation and drives technology excellence.

Rahul Patwa

Chief Technology Officer (CTO)

A highly motivated professional with expertise in Pre-Sales. He ensures seamless execution and client satisfaction.

Vivek Singh

Chief Financial Officer (CFO)

Chartered Accountant with expertise in finance, SME lending and credit underwriting. He leads financial strategy and ensures sustainable growth.

PAN INDIA PRESENCE

Delivering Excellence.
Connecting India.

NATIONWIDE REACH

Extensive presence across India to serve our clients better.

LOCAL SUPPORT

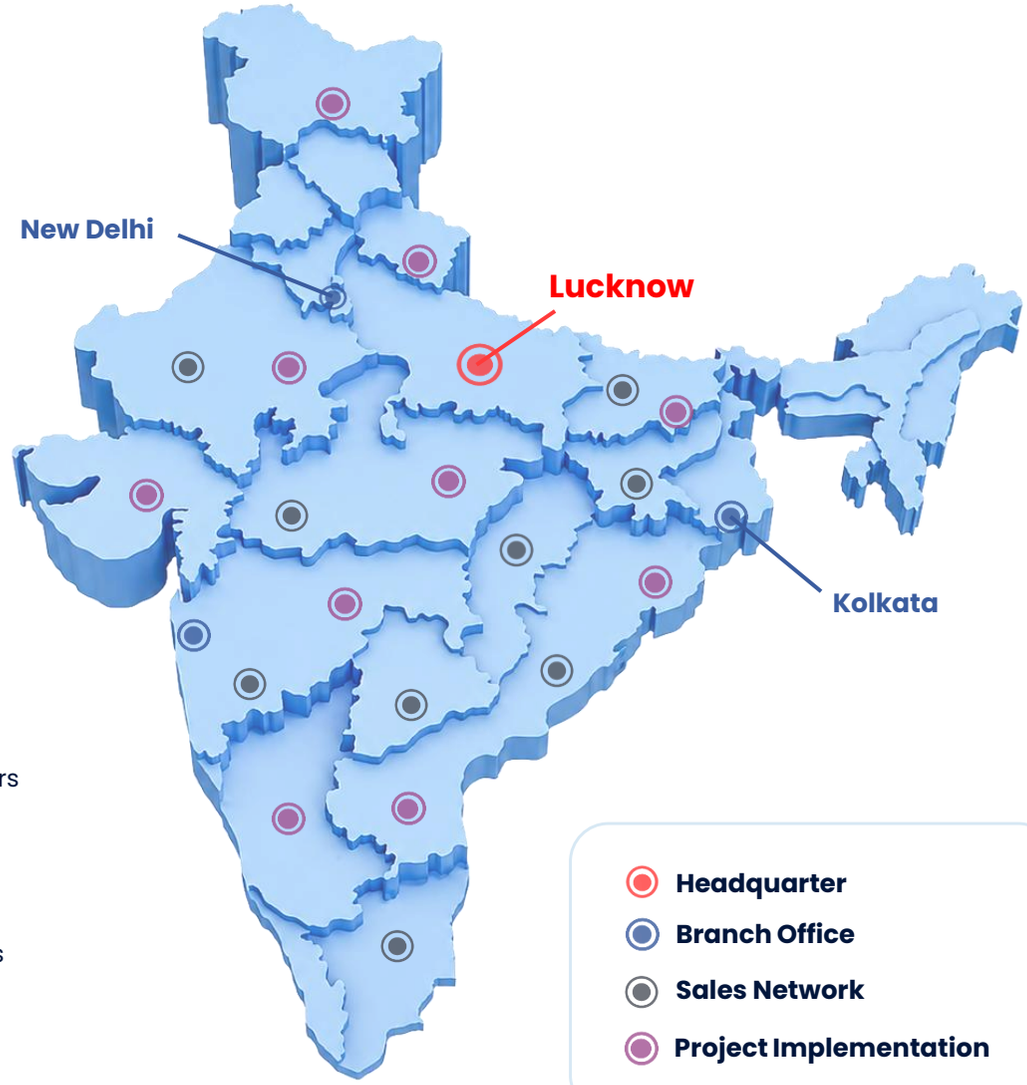

On-ground support and faster response through our strong partner network.

STRONG PARTNERSHIPS

Collaborating with channel partners and technology leaders to deliver the best solutions.

ONE VISION

One team, one vision – empowering businesses across every corner of India.

OUR JOURNEY CONTINUES

Our growth is built on trusted partnerships, strong collaboration and a commitment to excellence. Together with our clients, partners and people.

We continue to connect businesses and enable progress across India.

We thank our clients, partners, and employees for empowering us to deliver excellence every day.

TOGETHER, WE CONNECT.
TOGETHER, WE GROW.

VERTICALS WE SERVE

At Takyon Networks, we deliver tailored IT infrastructure and technology solutions that address the unique challenges of diverse industries. Our deep domain knowledge, proven expertise and trusted partnerships enable us to drive efficiency, security and growth for our clients.

OUR APPROACH

We align technology with your business objectives to create secure, scalable and future-ready solutions that deliver measurable impact.

ONE TECHNOLOGY PARTNER. MULTIPLE INDUSTRIES.

Connecting people, infrastructure and technology to drive smarter outcomes.

GOVERNMENT & PUBLIC SECTOR

Secure, reliable and scalable solutions that empower government institutions and public services.

EDUCATION

Digital infrastructure and collaboration solutions enhancing learning environments and administrative efficiency.

HEALTHCARE

Enabling connected healthcare ecosystems with secure, efficient and compliant technology.

MANUFACTURING

Smart, integrated solutions that optimize operations, improve productivity and drive innovation.

BANKING, FINANCIAL SERVICES & INSURANCE

Strengthening security, compliance and customer experience in a digital-first financial world.

TELECOM & COMMUNICATION

High-performance network and infrastructure solutions that keep the world connected.

RETAIL & E-COMMERCE

Technology solutions that enhance customer engagement and streamline retail operations.

CORPORATE & ENTERPRISE

End-to-end IT solutions that drive efficiency, collaboration and business growth.

© 2026 Takyon Networks Limited.

OUR EXPERTISE & SERVICES

WHAT WE DO

From consulting and design to deployment and support, we deliver secure, scalable and future-ready technology solutions that empower your business.

ENTERPRISE NETWORKING

High-performance wired and wireless networking solutions that ensure seamless connectivity, reliability and efficiency.

NETWORK SECURITY

Advanced security solutions to protect your network, data and users from evolving cyber threats and vulnerabilities.

DATA CENTER SOLUTIONS

Design, implement and manage robust data center infrastructure for high availability, performance and scalability.

AV & COLLABORATION

Smart audiovisual and collaboration solutions that enhance communication, engagement and teamwork across organizations.

SECURITY & SURVEILLANCE

Intelligent surveillance systems and integrated security solutions to ensure safety, monitoring.

CLOUD & MANAGED SERVICES

Cloud migration, management and IT support services to optimize operations.

DRONE ENABLED SOLUTIONS

Drone-based monitoring and inspection for infrastructure and construction projects.

SOFTWARE SOLUTIONS

Customized software solutions designed to streamline processes, improve efficiency.

© 2026 Takyon Networks Limited.

WHAT WE DO

We design and implement high-performance wired and wireless networking solutions that ensure seamless connectivity, reliability, security and scalability for your business.

NETWORKING SOLUTIONS

- LAN/WAN DESIGN & IMPLEMENTATION
- WIRELESS NETWORK SOLUTIONS
- SD-WAN SOLUTIONS
- NETWORK SWITCHING SOLUTIONS
- NETWORK SEGMENTATION & OPTIMIZATION
- NETWORK MONITORING & MANAGEMENT

KEY HIGHLIGHTS

HIGH PERFORMANCE & RELIABILITY
Robust network architecture for uninterrupted business operations.

SCALABLE SOLUTIONS
Future-ready networks that grow with your business.

ENHANCED SECURITY
Built-in security measures to protect your network and critical data.

CENTRALIZED MANAGEMENT
Simplified monitoring and control for better visibility and efficiency.

WHY IT MATTERS?

- **Seamless connectivity across locations**
- **Improved productivity and collaboration**
- **Optimized performance and reduced downtime**
- **Secure and future-ready infrastructure**

© 2026 Takyon Networks Limited.

WHAT WE DO

We deliver advanced security solutions that protect your people, data and infrastructure from evolving cyber threats, ensuring business continuity and long-term resilience.

SECURITY SOLUTIONS

- NEXT-GEN FIREWALLS & UTM SOLUTIONS
- ENDPOINT SECURITY
- DATA LOSS PREVENTION (DLP)
- IDENTITY & ACCESS MANAGEMENT (IAM)
- NETWORK ACCESS CONTROL (NAC)
- THREAT MONITORING & MANAGED SECURITY

KEY HIGHLIGHTS

THREAT PREVENTION
Block threats before they impact operations.

IDENTITY & ACCESS CONTROL
Secure access for authorized users and devices.

DATA PROTECTION
Protect sensitive data from unauthorized access.

SECURITY COMPLIANCE
Maintain secure and compliance-ready operations.

WHY IT MATTERS?

- **Reduced risk of cyber attacks.**
- **Protection of critical data and assets.**
- **Regulatory compliance and security assurance.**
- **Improved operational continuity.**

© 2026 Takyon Networks Limited.

SD – WAN & WAN SOLUTIONS

WHAT WE DO

Our SD-WAN and WAN solutions provide secure, high-speed connectivity across locations for seamless communication and optimized application performance.

- SD-WAN SOLUTIONS
- MULTI-SITE CONNECTIVITY
- CLOUD CONNECTIVITY
- WAN OPTIMIZATION
- SECURE WAN CONNECTIVITY
- CENTRALIZED MANAGEMENT

KEY HIGHLIGHTS

INTELLIGENT PATH SELECTION

Dynamically choose the best path for each application.

COST OPTIMIZATION

Reduce MPLS dependency and lower connectivity costs.

HIGH AVAILABILITY

Built-in redundancy ensures maximum uptime and business continuity.

APPLICATION AWARENESS

Ensure critical applications get the priority they deserve.

WHY IT MATTERS?

- **Reliable connectivity across all locations**
- **Enhanced security and compliance**
- **Lower total cost of ownership**
- **Faster deployment and agility**

© 2026 Takyon Networks Limited.

WHAT WE DO

Our data center solutions are designed to build a secure, scalable and efficient infrastructure that supports your critical workloads and business growth.

DATA CENTER SOLUTIONS

- DATA CENTER INFRASTRUCTURE
- DATA CENTER NETWORKING
- POWER & COOLING
- PHYSICAL SECURITY
- DATA CENTER MODERNIZATION
- MANAGEMENT & MONITORING

KEY HIGHLIGHTS

ROBUST DATA CENTER INFRASTRUCTURE

Integrated infrastructure designed for dependable data center operations.

POWER & COOLING EFFICIENCY

Optimized power and cooling systems support efficient facility performance.

PHYSICAL SECURITY

Layered physical security helps safeguard critical infrastructure and assets.

DATA CENTER MODERNIZATION

Modernized architecture built to support evolving technology requirements.

WHY IT MATTERS?

- **Maintains consistent data center performance.**
- **Supports efficient power and resource utilization.**
- **Protects critical infrastructure and equipment**
- **Enables scalable and future-ready operations**

© 2026 Takyon Networks Limited.

WHAT WE DO

Our AV and collaboration solutions bring people, spaces and ideas together—empowering teams to communicate effectively and collaborate seamlessly, anywhere, anytime.

AV & COLLABORATION SOLUTIONS

- VIDEO CONFERENCING
- AUIDO VISUAL SYSTEM INTEGRATION
- INTERACTIVE DISPLAY
- SUPPORT & MAINTENANCE
- SURVEILLANCE & RECORDING
- DIGITAL SIGNAGE & CONTENT

KEY HIGHLIGHTS

HIGH-QUALITY EXPERIENCE
Delivering superior audio and video quality for effective communication.

SEAMLESS INTEGRATION
Solutions that integrate seamlessly with your existing infrastructure.

EASY TO USE
User-friendly systems designed for effortless collaboration.

SCALABLE SOLUTIONS
Flexible solutions that grow with your business mode.

WHY IT MATTERS?

- **Improved communication and collaboration.**
- **Faster decision-making and execution.**
- **Enhanced engagement and participation.**
- **Increased productivity and efficiency.**

© 2026 Takyon Networks Limited.

WHAT WE DO

Our security and surveillance solutions combine advanced technology with intelligent monitoring to help you protect people, assets and critical infrastructure with confidence.

SECURITY & SURVEILLANCE SOLUTIONS

- ACCESS CONTROL
- INTRUSION DETECTION & ALARMS
- PERIMETER PROTECTION
- COMMAND & CONTROL SYSTEM
- VIDEO SURVEILLANCE SYSTEMS
- SUPPORT & MAINTENANCE

KEY HIGHLIGHTS

360° SECURITY VISIBILITY
Gain a unified view of security events across critical areas.

MULTI-LAYERED PROTECTION
Combine physical, perimeter and surveillance controls for coverage.

PROACTIVE THREAT AWARENESS
Identify unusual activity early and respond before risk escalate.

CENTRALIZED SECURITY OPERATIONS
Bring multiple security systems together for streamlined monitoring.

WHY IT MATTERS?

- **Greater business continuity and resilience.**
- **Faster recovery from unexpected disruptions.**
- **Better visibility and control over IT environments.**
- **Flexible infrastructure that scales with demand.**

© 2026 Takyon Networks Limited.

CLOUD & MANAGED SERVICES

WHAT WE DO

Our cloud and managed services help businesses migrate, modernize, and manage their IT infrastructure with agility, security, and cost efficiency, so you can focus on growth and innovation.

- CLOUD MIGRATION
- CLOUD INFRASTRUCTURE
- MANAGED IT SERVICES
- SECURITY & COMPLIANCE
- BACKUP & DISASTER RECOVERY
- 24/7 SUPPORT & MONITORING

KEY HIGHLIGHTS

SEAMLESS CLOUD MIGRATION

Transition workloads and applications with minimal disruption.

Transition workloads and applications with minimal disruption.

FLEXIBLE CLOUD INFRASTRUCTURE

Build scalable infrastructure aligned with evolving business needs.

PROACTIVE MANAGED SERVICES

Keep IT environments optimized through continuous management.

BACKUP & DISASTER RECOVERY

Protect critical workloads with reliable recovery capabilities.

WHY IT MATTERS?

- **Strong protection for people.**
- **Greater visibility across critical areas.**
- **Faster response to potential security incidents.**
- **Simplified management of multiple security systems.**

© 2026 Takyon Networks Limited.

WHAT WE DO

Drone-enabled monitoring for industrial and infrastructure projects, providing high-resolution visual data to support progress tracking, inspections, reporting and informed decisions.

DRONE-ENABLED SOLUTIONS

- PROJECT MONITORING
- STRUCTURAL INSPECTION
- CONSTRUCTION PROGRESS
- INFRASTRUCTURE MONITORING
- SAFETY COMPLIANCE
- REPORTING & DOCUMENTATION

KEY HIGHLIGHTS

HIGH-RESOLUTION AERIAL IMAGERY
Transition workloads and applications with minimal disruption.

EFFICENT DATA COLLECTION
Build scalable infrastructure aligned with evolving business needs.

CONSISTENT VISUAL DOCUMENTATION
Keep IT environments optimized through continuous management.

REDUCED NEED FOR MANUAL SITE VISITS
Protect critical workloads with reliable recovery capabilities.

WHY IT MATTERS?

- **Better visibility across large sites**
- **Faster Inspection and reporting**
- **Improved progress tracking**
- **Data-led project decisions**
